

FACEBOOK GROUP POLICY

Reviewed and adopted January 2015

Policy for the SIGNAL Family Support Facebook group

SIGNAL Family Support Ltd ('SIGNAL FS') is a charity based in Lewisham for mutual support among families affected by autism.

About this Facebook group:

SIGNAL welcomes all paid-up members to contribute to conversations in the Facebook group and to share content directly relevant to SIGNAL members. Wall posts, comments, photos, and other content posted on this page are expected to be relevant and respectful.

SIGNAL Facebook group administrators have the right to delete any inappropriate content from this group, including but not limited to: irrelevant content, redundant content, hateful content, malicious content, uncivil or disrespectful content, attacks or complaints against an individual, financial solicitations, endorsements of a political candidate or party, and content that violates Facebook's terms of use, code of conduct, or other policies. Content that violates Facebook's policies may also be reported.

Administration:

- SIGNAL's Administrator is an administrator of the Facebook group and accepts requests to, or actively invites paid-up SIGNAL members only to participate in the group.
- Group administrators should monitor the SIGNAL Facebook group and remove any content that does not comply with the guidelines contained herein; habitual offenders may be removed from the Group.
- Posting should be checked for inappropriate content regularly.
- The group administrators shall have full authority to create, delete and maintain the content to ensure that the content:
 - Is maintained within the bounds of these Policies
 - Is consistent with the mission and values of SIGNAL
 - Avoids slander, libel, violations of copyright, profanity, inappropriate humour, disrespect, incivility, attacks or complaints against individuals, and advocacy of political candidates
 - Does not reveal private personal information
 - Ensures any posts relating to commercial businesses are relevant
 - Presents information that is accurate and relevant
 - Is updated on a timely basis
